## Great Walks

### Circular Quay Writers' Walk

Perfect for literary buffs, this walk features a series of plaques that guide you from the Museum of Contemporary Art to the Opera House. Each plaque features the words of famous writers, such as Mark Twain and Joseph Conrad, who describe their visits to Australia.

### Darling Harbour to Circular Quay

Discover Sydney's heritage as you walk from the Sydney Aquarium, Darling Harbour, along Sussex St to Hickson Rd, Walsh Bay. Then follow the waterfront under the Harbour Bridge and make your way through The Rocks to Circular Quay (Note: those with Wheelchairs or prams may prefer to start at Walsh Bay).

### Harbour Walk

Acclaimed as the best city walk in the world, this wonderful waterfront route enables you to discover Sydney Harbour at your own pace. Starting at the steps of the Sydney Opera House, follow the waterline around Farm Cove and through the Royal Botanic Gardens to Mrs Macquarie's Chair.
